[Redacted]

Dear Don,

Enclosed is a bibliography of the research reports published  
by [Redacted]

STAT

[Redacted] Since you seemed only casually familiar with the work  
going on there and had mentioned you might have a titles search con-  
ducted, I thought you could benefit from this rather complete list  
already in our hands.

STAT

Am currently surrounded by a wall's worth of maps and hope to  
see [Redacted] on Monday.

Best regards,
